How it Works on June 2, 2018

This year's Spring Trail Ride to benefit the Lanark County Therapeutic Riding Program will once again be hosted at Highlands Gate, 4381 Wolf Grove Road, Lanark, ON, the farm of Ray Hemmerling and Susan Cressy by the village of Middleville on their 85 acre farm. It will be held on Saturday, June 2, 2018 and it will begin with an open ride around the farm, which includes riding in the fields and forest, staying on the farm property.

*The first part of the day is between 9:00 and 10:00 am when you can wander and explore or follow the signs to guide you around the farm.

*Between 10:00 and 11:00 am we will let you practice the trail class with your horse, unmounted, so that you and your horse can get used to the obstacles and new challenges.

*At 11:00 am the Trail Class will begin. You will sign up for the class when you arrive and register so we will go in the order of where your name is on the list in about 5 minute intervals. If you are signed up for later in the list you can continue riding in the fields until your time comes up or watch and cheer for the other riders in the trail class. You will be allowed 1 minute per obstacle and then you will have to move on to the next obstacle. If you chose not to do an obstacle, 1 minute will be added to your time. The aim is to have fun and to give you and your horse a different experience so that you can gain confidence and ability. If you want to go through the course and not be timed or if you would like to go through the course with your horse in hand you have that option as well. The goal is to have fun with your horse and give them a new experience that they can learn from. You can continue to ride before and after your Trail Class. If you have any questions please call Susan Cressy at 613-257-9332 or info@highlandsgatewellness.com or www.highlandsgatewellness.com

There will be a BBQ for you to enjoy as well as prizes for the riders who achieve the fastest time in the Trail Class. It will be fun! I hope you can make it!
